**1:00 pm Learn about COACHING BOYS INTO MEN
A Leadership Program for Coaches**

Meet in the Practice Gym adjacent to the Game Gym

Learn more about Coaching Boys Into Men, an evidence-based program which gives high school and college coaches the tools to talk to their athletes about respect and to recognize healthy vs. abusive relationships. By teaching young men what is appropriate behavior in their relationships, we can build men of good character who respect women and speak up if they see a peer being disrespectful or abusive. You'll get a chance to hear from coaches who have implemented the program and refreshments will be provided.

2:00 pm – Men's Basketball
