OVERVIEW

Children's Hospital of UPMC is conducting multiple research studies related to the prevention of sexual harassment, assault and relationship abuse. The CHP Adolescent Medicine research team will present preliminary, unpublished findings from ongoing studies. This workshop is a unique opportunity for researchers and practitioners to come together to discuss what is working, what is not, and how these findings can shape ongoing prevention efforts. This session is designed for professionals engaged in efforts to break cycles of violence and prevent adolescent relationship abuse, sexual assault and domestic violence.

PRESENTERS

Dr. Elizabeth Miller, Dr. Kaleab Abebe, Dr. Kelley Jones, Dr. Carla Chugani, Dr. Robert Coulter, Dr. Alison Culyba, Dr. Patricia Bamwine

AGENDA

8:30–9:00 Registration and networking

9:00–9:30 Welcome, introductions, research roundup

9:30–10:45 Coaching Boys Into Men
What do we know about shifting behaviors of perpetrators and bystanders? How much abuse does this dating-violence prevention program actually prevent? What have we learned about adapting this high school curricula for younger audiences?

10:45–11:00 Break

11:00–12:30 Shifting Gender Norms: Manhood 2.0 and Sisterhood 2.0
How does focusing on gender and healthy sexuality impact abuse perpetration? This session includes breakout groups for in-depth discussions.

12:30–1:30 Lunch will be provided.

1:30–3:30 Addressing sexual victimization and sexual health through college health centers
What have we learned about who is at risk? How can we address alcohol-related risk for SV and support those affected by SV?

3:30–3:45 Break

3:45–4:15 Next steps
How can we integrate evaluation into current or new programming? What would be helpful to putting research into practice? What are some research questions we could explore?

4:15–4:30 Conclusion

Learning objectives – Professionals will learn:

- How widespread gender-based violence is, resources available to them and their patients, and how to help those experiencing such violence.
- To discern appropriate violence prevention strategies and incorporate such strategies into their work with youth.
- To incorporate conversations about violence prevention and safety with patients as part of standard of care.

Accommodations are available.

For student discount and scholarship or any other inquiries, please contact Sue Clarke at sue@fisafoundation.org or 412-456-5550.

CONTINUING EDUCATION CREDIT INFORMATION:

Physician CEUs:

Sponsored by Children's Hospital of Pittsburgh of UPMC's Division of Adolescent Medicine and University of Pittsburgh School of Medicine Center for Continuing Education in the Health Sciences. The University of Pittsburgh is an affirmative action, equal opportunity institution.

This activity has been approved for *AMA PRA Category 1 Credit™*

Social Work CEUs:

This program is offered for 6 hours of social work continuing education through co-sponsorship of the University of Pittsburgh's School of Social Work, a Council on Social Work Education-accredited school and, therefore, a PA pre-approved provider of social work continuing education. These credit hours satisfy requirements for LSW/LCSW, LPC and LMFT biennial license renewal. For information on social work continuing education call (412)624-6902. The certification fee for social work continuing education hours is \$10.00/person. Payment can be cash or check and must be paid at the event.

Act 48:

Trying Together can offer 5 hours of Act 48 credit or 5 hours of PQAS/ DHS Credit for this event. If interested, you must have your professional personnel identification number at the event.
